

Health check-up camp(Inhouse)

A health check-up camp for cervical screening through pap smear tests was conducted within the premises of ESIC Hospital, Manesar on 25 July 2024, in room number 218. Eligible patients were also recommended to get HPV vaccines from hospital. A small health talk was given by Dr. Shilpa about cervical screening. Total 10 pap smear tests were carried out on the 2nd floor in the OPD.
