# Aadhaar Seeding for ESI Insured Persons and their Family Members

## Purpose of Seeding Aadhaar with ESI Number:

1. Ensuring hassle-free access to medical and cash benefits under ESI Scheme
2. Preventing duplication of IP numbers
3. fraudulent activities in financial transactions
4. Creation of ABHA number for providing interoperability of health records.

To facilitate a simplified and self-sustainable Aadhaar seeding process, the following methods have been adopted:

### Employer Login

Employers can assist in Aadhaar seeding for IPs and their family members through their respective logins.

### Online

#### Self-seeding

Insured Persons (IPs) and their dependents can independently complete Aadhaar seeding via ESIC-IP Portal.

### ESIC Branch Office & ESI Hospitals

IPs and their dependants are encouraged to visit the ESIC Branch Office & ESI Hospitals for getting Aadhaar no. seeded.

### AAA+ Application Of ESIC

Aadhaar seeding can be completed using face recognition & OTP through ESIC Mobile Application (AAA+). The Mobile Application, "Ask an Appointment" may be downloaded from the Google Play Store.

### Bulk Aadhaar Seeding

Employer may now get Aadhaar data seeded in ESIC database by uploading bulk Aadhaar seeding template. A 'User Manual' on bulk Aadhaar seeding is also attached herewith for ready reference.
