

Technical Specification of AIO PC

Sr No.	Parameters	Minimum Model Specifications	Compliance (Yes/No)
1	Processor	Make - Intel Core i7 -14700 (14th Generation)	
2	Motherboard	OEM Motherboard	
3	RAM (in GB)	Minimum 16GB DDR-4 3200 MHz or higher expandable upto 64 GB	
4	Type of Storage Installed with the System	NVMe SSD	
5	Storage Capacity (in GB)	1024 GB	
6	Display size (Monitor)	23.8" or Higher (All- in-One)	
7	Display Resolution	Minimum resolution 1920 x 1080 or higher	
8	Display Type	Touch / Non Touch	
9	Stand & Mount	Adjustable	
10	Webcam	Integrated, FHD	
11	Microphone	Integrated	
12	Graphic Type	Integrated	
13	Speaker	Two speakers integrated with display	
14	Type of In-built Wireless Connectivity	Wi-Fi 6 (802.11 a/ac/b/g/n/ax) + Bluetooth 5.0 or higher	
15	Panel Technology	IPS	
16	Keyboard	Wired / Wireless (104 keys with Rupee symbol & USB Interface)	
17	Mouse	Wired / Wireless (OEM optical USB scroll Mouse with mouse pad)	
18	Chassis	All in One Form Factor	
19	OEM Certifications	BIS Registration under CRS of MeitY - Yes (Required)	
		BIS Registration no and its validity - Yes (Required)	
		ROHS Compliance - Yes (Required)	
		BEE/ Energy Star for the given Model - Yes (Required)	
		Microsoft Window 11 Professional Pre-loaded - Yes (Required)	
		Warranty Certificate of 05 years - Yes (Required)	
20	USB Ports & Interface	(i) Atleast 4 USB Type A Ports (with atleast 2 Nos. USB 3.1 Gen1 Ports)	
		(ii) DP Port - 01 No. for Extended Display	
		(iii) HDMI Port - 01 No. for Extended Display	
		(iv) RJ-45 Ethernet Port - 01 No. (10/100/1000 Mbps on board integrated port)	
21	Operating System	Preloaded with OEM pack licensed Windows 11 Professional with x64 or higher	
22	Warranty	Minimum 05 years of onsite OEM warranty support. The Device should not be declared end of life by OEM at the time of purchase.	
23	Service Centre	OEM Service Centre should be in Himachal Pradesh or Chandigarh	
24	OEM Logo should be embossed on Monitor , Keyboard , Mouse etc. (No sticker)		

ANNEXURE B

(To Be signed & stamped on Bidder Letterhead)

Certificate

This is to certify that the product offered comes with the following OEM software Preloaded:

1. Built in Pre-boot system hardware diagnostics utility:

Name of the Utility/software: -----

Version : -----

2. Online hardware diagnostic/Support facility:

Name of the facility and Version no (if applicable): -----

Online URL : -----

3. Recovery media creation:

Name of the facility and Version no (if applicable): -----

Online URL : -----
